## School Board

The men in this policy forming group, charged with the financial responsibility of the school system, give their time untiringly to the work of governing and managing the school. Their only reward is the satisfaction of seeing a job well done.

A program that will do the most good for the student, within the financial limits of the school's budget, is their chief aim; and the student, in turn, recognizes and respects the unselfish efforts of these men.

## Student's Reading

Would you like to know how many books from the library are read by the students each month? Mrs. V. Harp, librarian, made a survey of November's books checked out beginning Nov. 9th.

A total of 111 books have been read which does not include reference work from the Texas Almanac, World Almanac, Readers Compton's and other references.

According to the above figure each student in high school reads approximately 17 books per month. They do not hold true to the library and its facilities. About 41 of the 111 books read, 4 were social science, 1 history, 1 literature, and 100 fiction.

#### LYTLE HIGH SCHOOL BAND

Organization of the Band was begun last year and completed this year under the directorship of Ken Clover. Uniforms were obtained this year from the Sol Frank Co. in San Antonio. Trips were taken by the band this year to International Friendship Day in Eagle Pass, Gonzales Music Festival, Poteet Strawberry Festival, Battle of Bands in San Antonio, and also trips to Devine, Texas, and Piedras Negras, Mexico. An Annual Music Festival was begun this year by Lytle, under the leadership of Ken Clover, with the aid of the faculty. Included in this festival were bands in Atascosa County. Next year, the bands in surrounding counties will be included. There will be a parade, marching exhibition and a massed band concert.

 ing a cow, one of  
 the skills and  
 community services  
 that the boys do.  
 Other services  
 they offer are  
 vaccinating and  
 castrating cattle  
 and hogs; and

culling chickens. In their classwork they  
 learn to test milk, test soils, candle  
 eggs and all farm skills. One of the  
 most important parts of F.F.A. work is  
 the leadership training.

Wayne Van Binkie, Johnny Spannagel, Wallace  
 Reicherzer, and Mr. E. C. Weekley with  
 Harmony Wonder Prince, registered Guernsey  
 male which the boys won in the dairy  
 judging contest at Laredo in January.
